Julie

On behalf of the co-applicants, please find attached our review comments on the draft licenses. These represent our combined comments from the co-applicants and their consultants. Our comments on the draft Air Emissions and Processing Licenses are in redline/strikeout format as we discussed. Our comments on the draft Stormwater and NRPA permits are in letter format.

Please let us know if you have any questions.

Subject: MRC-Fiberight Draft Licenses Posted

Dear Co-applicants-

The draft MRC-Fiberight licenses have been posted on our web site under Draft Licenses.

In accordance with Chapter 2: RULE CONCERNING THE PROCESSING OF APPLICATIONS AND OTHER ADMINISTRATIVE MATTERS, the licenses are available for review and comments by COB July 5, 2016:

<http://www.maine.gov/dep/projects/mrc/index.html>

Thank you,

Julie M. Churchill
